President's Message

The ball season is over for another year and the reports from dancers was the same, they all had a wonderful time. But there was someone missing from this year's Maitland Ball, Greg Strutt, from Coalbrook Band. Greg passed away earlier this year and our thoughts go out to his family and friends.

BMC was well represented at the recent Turning Wave Festival in Yass and everyone had a very enjoyable weekend. The BMC will also be present at the Goulburn Gathering and Kangaroo Valley Folk Festival. Be sure and check them out.

The October long weekend will be a busy time as we will also be holding our regular Beecroft Family Bush Dance, so if you can't get away please come and join us for a fun night.

Have a wonderful spring and stay active..

2016 Subscription Ball - Maitland Town Hall

This year we had to squeeze the Maitland Ball into our work schedule and we are so pleased that we made the effort! Jon was scheduled to be at the Sydney airport by 8am the next day so there was to be no sleep-in after the Ball or relaxing at the recovery picnic. We also were only able to attend one practice so we felt that we would be at a disadvantage however the skill of all the callers never let us down and we thoroughly enjoyed all the dances!

Being an engineer's wife, I present most of my written communications via dot points so here goes:

Sprung Floor:

- The really great aspect of the Maitland Ball is that you wake up pain-free after dancing on the engineered sprung floor. (We love pain-free!)

Supper:

- Lesley's supper was delicious and much appreciated as we had not had a chance to have a snack before the dance

Decorations:

- I really loved the decorations especially considering that the Hall management no longer allows the use of decorations following the recent renovations

Practice Class:

- Excellent!

Preparations by Volunteers:

- Brilliant!

Music by "Coalbrook" Band

- Inspiring!

Air Conditioning:

- 'Cool' but very good for dancing!

Satisfaction Level out of "10"

- 10 !

Likelihood of Attendance Next Year

- Very high ! (highest rating)

Needless to say we are both looking forward to next year's Ball.

Heather (a very happy dancer!)

Saturday 8th October - Martyn Wyndham-Read (UK)

English by birth, Martyn first developed his great interest in folksongs of the outback when he went to Australia in the early 1960s. There, while working on the South Australian sheep station "Emu Springs", he gained first hand experience of life as a bush worker and at the same time fell in love with Australia and it's music. His participation in the Four Capitals Tour in August 1964 led to his meeting with Duke Tritton.

Friday 11th November - Don Brian

At Duke's Place Don and Sue Brian will be presenting the traditional Craft of Cabbage tree hat making along with a visual presentation of its history and a surprising number of songs that relate to this fashionable attire from the 1790s up until the depression of the 1930s. There will be some hands on involvement for those who wish to learn what is involved in this historic folk craft.

In the second part of the program Don will present some songs from his research on Norfolk Island including newly discovered convict songs recorded in diaries at the time.

Friday 9th December - Christina Mimmocchi

Christina's musical offerings include working with grass-roots choirs (including The Spots, Choir on a Wire – a tribute to Leonard Cohen, and the Sydney Women's Vocal Orchestra who sings the music arranged in secret in POW camps in Sumatra during WWII); writing for, singing and touring with vocal harmony trios including Blindman's Holiday and Touchwood, co-producing recordings for her own groups and others, and performing her own songs solo and in good company of other musicians.

She was the holder of the National Folk Fellowship in 2009-10 and during that year unearthed songs from the National Library of Australia's folklore and oral history archives and arranged them for a massed choir at the 2010 National Folk Festival.

Pennant Hills Dance Activities

Pennant Hills Community Centre: (lower, air-conditioned hall)

In August Wendy Richmond taught us many of the dances that were featured on the Maitland Ball program. These workshops were great fun and it was easy to learn the dances in a relaxed atmosphere. As usual, we always appreciate Wendy teaching us to be ready for the BMC balls.

In September we practiced the dances on the Central Coast Flannel Flower Ball program. These included some dances new to us: Keith Wood's prize winning "Four Seasons Waltz" and the English Country Dance "Four Pence Halfpenny Farthing". We also enjoyed the challenge of the Scottish Country Dance "Mairi's Wedding".

There is a public holiday on the 3rd October so there will be no workshop on that night, although there will be a practice day for the Flannel Flower Ball on Sunday 2nd at the East Gosford hall so it is still possible to get some dancing.

The workshops in October will not have a single theme, but we will work on the timing of movements and music phrasing and, of course, there is always an opportunity to practice waltzing and rotary chasses. We will also practice dances with reels of three and four.

There will also be two workshops dedicated to practicing the dances for the Central Coast November dance featuring the JH Dance Band. In November we continue with our varied program and then start practicing for our December Christmas Party.

As always, "So much dancing, so little time".

We welcome singles, couples and groups; From "first timers" to experienced dancers, everyone is welcome. And the hall is air conditioned, so hot nights are never a problem.

See you at Pennant Hills!

John Short

Concert Party News

The Bush Music Concert Party has continued to attract good attendance figures on Monday evenings throughout a very cold winter. Hut 44 with its newly painted main room is now looking a real picture and is most inviting. The warm and welcoming atmosphere of Hut 44 makes it always a pleasure to play music there with friends.

Several Concert Party members attended the Turning Wave Festival in Yass during late September and despite pouring rain on the Sunday, a good time was had by all. Many of us joined with the Folklines group and played Irish and Bush tunes at various pubs and cafes.

On 22 September 2016, a number of BMC Concert Party members played for bush dances all day at Mount Riverview Public School. The event consisted of the entire school population of more than 230 children, divided into 9 groups, dancing to Australian Bush Music performed by 12 musicians under the leadership of our own Kerry Doherty. BMC Concert Party members who gave freely of their time included Kerry Doherty on mandolin, Claire Doherty on violin, Mariamma Mitchell on keyboard, Duncan Barrell on violin, Les Love on concertina, Sharyn Mattern on concertina, Matthew Black on guitar and Allen Davis on guitar and harmonica. It was a most enjoyable day and a wonderful introduction to bush dancing for the children of Mount Riverview.
